

## BBQ Menus Cover Page

The following menus are the set BBQ menus that can be catered for in the hall.

Minimum of 40 adults required for this menu.

If we can add your group to an already booked party we will do so with no minimum number required.

Buffet and BBQ menu functions will be charged for the numbers pre-confirmed or the number that dine. (Whichever is the greater).

### Private Hall BBQ Bookings

The hall can be booked for Private Functions, a surcharge will apply. Please contact us about this.

### Live Entertainment

Can be arranged by yourselves. We are happy to help to set up an area for the band.

### Special BBQ Menu

We can also prepare a special BBQ menu to suit large groups by adding extra dishes and meat such as Venison Racks, Crayfish, Scallops, Salmon for the grill. You can also add carvery meats in conjunction with the BBQ such as Honey baked Hams, Roast Lamb, Seasoned Turkey. We also provide a selection of casseroles and/or pasta dishes to substitute for the hot dishes.

### Wedding Barbecue Buffet

Should you choose a Barbecue Buffet for your Wedding, you can select the Combination Main Course Menu or the Dinner Party Combination Platter for the Bridal Table and it will be served to you and eliminate the problem of bridal table folk having to get their own food.

The rest of your guests will pick up their own food from the Barbecue. Also you could choose starters from that menu for people to nibble at during speeches.

Should you require any assistance with menu selection, please do not hesitate to contact our Function Manager – Barry Chilton who would be happy to discuss any options you may require.
